

BAKING INSTRUCTIONS

**The Pastry Puffins are
Freezer-to-Oven-Easy to Prepare**

- 1) Place oven rack in the middle position.
- 2) Preheat oven to 400° F (oven must be fully preheated).
- 3) Break off the desired number of Puffins and place them on a lightly greased or parchment-lined, non-insulated metal pan with at least 1" sides.
- 4) Bake the Puffins at 400° F for 23-28 minutes until golden brown on the top and puffed up (oven temperatures may vary; therefore, adjust baking time and temperature as necessary).
- 5) Let Puffins cool and then place on a serving tray (CAUTION: fillings will remain extremely HOT for up to 15 minutes after baking).
- 6) For sweet and fruit flavors, cut corner of frosting packet and drizzle over Puffins.
- 7) ENJOY!
